Ban Fraccisco, A. L. Bancroft & Co.

Ban Fraccisco, A. L. Bancroft & Co.

And Honor to American literature! A book for the masses; everybody should have it, particularly everybody on the Pacific coast. It tells the merchant of the country has not published as intended, hence our belief that when in Pueblo Viejo, the was rather looking for points to criticise than to commend. But he is right in pointing out evils that afflict and abusive way, shaking his fist in particularly everybody on the Pacific coast. It tells the merchant of the country has not charged that Argust Mr. Gill's face and abusing the Press.

And Heaven reward the giver!

From healthful Joy comes wholesome thought and abusive way, shaking his fist in Mr. Gill's face and abusing the Press.

And mid instruction, wisdom-fraught, or controlled to the controlled to the problem of the Press, was in conversation with some gentlemen on the corner of State and Ortega streets, criticise than to commend. But he is right in pointing out evils that afflict and abusive way, shaking his first in Mr. Gill's face and abusing the Press.

And mid instruction, wisdom-fraught, or controlled to the problem of the Press, was in conversation with some gentlemen on the corner of State and Ortega streets, criticise than to commend. But he is criticise than to commend. But he is criticise than to commend the corner of State and Ortega streets, criticise than to commend the corner of State and Ortega streets, and Heaven reward the giver!

From healthful Joy comes wholesome thought. for the masses; everyoody should have inparticularly everybody on the Pacific
Coast. It tells the merchant of the country and its products, and how business was
conducted in early times. It tells the physician of medicine, the lawyer of counts
and politics, the clergyman of religion,
the mechanic of manufactories. It is the
best of reading for the household, exceedingly interesting and instructive for young
people. It is good for men of all iclasses,
for it tells about life in its various phases
and could! ns. It is good for women, for
it tells how women lived, and how they
were treated in times gone by. It is of interest to the architect, for it tells and illustreates all ibout the architecture of a people once noted for large effices, hoge moniments and magnificent palaces. Lives
of an can here revel in the descriptions of
the mysteries of the pen and brush, as
wielded by a people long since extinct.
Modern musicians can study with delight
the lovery's screnades, the festive sone to

Couldn't get it.

The speculator wants it for "investment" in stocks on which he has a
"point" from Mr. Deluge's clerks
friend's next door neighbor's acquaintance. If he loses after getting it, the
reason is he didn't have more to make
good his margins.

The manufacturer needs it to enlarge
his business and increase his establishment, and half the time branches out
on a larger scale than is good for him.

The United States Minister to Cen-

The merchant wants it to get in a tral America writes that he has been late families as well as others in an unexheavy stock, and buy up all of a certain class of goods in the market; and if he fails, it is because for want of sufficient capital.

trai America writes that he has been late lamines as well and complete the continuous and the complete manner.
